Microarab Pro is an upcoming Egyptian-based interactive digital platform and television feature, set to launch in **September 2025**. It specializes in combining nostalgia-themed Arab TV programming with modern communication features such as SMS, live chat, and instant messaging, primarily catering to audiences in Egypt and the wider Arab world.

Microarab Pro	
Country of origin	Egypt
Original language	Arabic

Overview

Microarab Pro builds upon the nostalgia movement within Arab pop culture, particularly focusing on classic Arab music videos, 1990s–2000s television programs, and popular media from the early internet era in the Arab world. The platform integrates interactive chatrooms, SMS participation, and messaging features to enhance audience engagement during TV broadcasts.

Features

- **Live Arab Chat Integration**: Viewers can participate in themed live chats related to specific TV programs, music blocks, or nostalgia events.
- **SMS Participation**: SMS services allow audience members to send messages and comments that can be displayed live on screen.
- **Messaging System**: A dedicated mobile messaging interface connects viewers with on-screen content in real time.
- **Nostalgia Programming**: Focus on classic Egyptian and Arab TV shows, music videos, and culturally significant media from the 1980s to 2000s.
- **Exclusive Arab Nostalgia Events**: Special events focusing on past trends in Arab pop culture, including re-airing of iconic programs with modern commentary.

Target Audience

The service primarily targets audiences in Egypt, expanding into the broader Arab world. It caters to adults and youth who have nostalgic connections to early 21st-century Arab television and media.
